**Nurturing a great cause:
the rush to find a cure for LAM
(lymphangiomyomatosis)**

**I made the commitment to donate
20% of my real estate service fee to
The LAM Foundation**

www.thelamfoundation.org

By choosing to work with me on your real estate needs you're making a big difference in the lives of women suffering of LAM!

LAM is a cruel, progressive lung disease that strikes women of all races in the prime of their lives. Symptoms of LAM include shortness of breath, chest pain, lung collapse and persistent cough. Eventually the lungs fail, and the highly risky lung transplantation is the last resort.

This fatal disease has no treatment or cure.
